

Staff and managers who use Geographic Information Systems (GIS) or wish to learn more about how GIS is used in the Natural Resources Agency are invited to save the date for the Eleventh Annual

## CNRA GIS Day

to be held **November 1**,  
8:30-4:30 in the Resources Building Auditorium  
at 1416 9th Street in Sacramento.

This event is hosted by the DWR Enterprise GIS Committee.

---

The morning session features a thought-provoking focus on **Tribal GIS**, exploring what GIS practitioners need to know when working with Tribes and tribal data. The afternoon session will feature presentations on applications of GIS in CNRA.

---

Map and posters will be on display.
